

## GTS-60 TILT-BACK TIRE CHANGER

Coats® Reliability and Durability Meets Tilt-back

### Rim Protection Tower

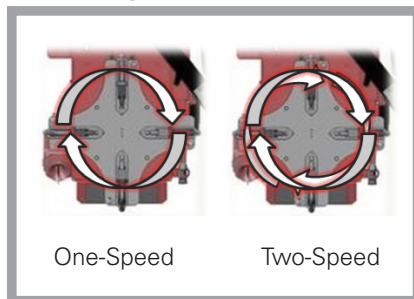

Spring-loaded-mechanical design reduces wheel damage and stays locked in place.

### Powered Roller Disk

The Coats® Powered Roller Disk provides bead loosening assistance, TPMS access, bottom bead removal and top bead mounting assistance.

### Two-Speed Electric Motor

One-Speed

Two-Speed

The Coats® two-speed electric motor provides total control based on application difficulty.
